### Agro-met Advisory

There is possibility of moderate to heavy rainfall from 19th to 21st October, 2019 at isolate places also sky will be cloudy.

Extended range rainfall forecast for Konkan division for the period from 18th to 24th October, 2019 is above normal.

According to NDVI, Agriculture vigour is moderate and according to SPI, moderately wet condition experienced in Raigad district.

### Crop Stage  Agro Advise

**Kharif rice** Grain filling to maturity stage• Maintain 5 cm level of water in rice field where late rice varieties are in grain filling stage and drain out water from the field where mid-late rice varieties are in maturity stage.
• During next three days, there is forecast of moderate to heavy rain, hence postpone the harvesting of matured rice varieties.

**Mango** Vegetative• Due to cloudy and humid weather condition, there is possibility of incidence of hoppers, midge fly and shoot borer on vegetative flush of mango to protect the flush of mango, spray Lambda cyhalothrin 5%EC @ 6ml or Quinalphos 25%EC @ 25 ml per 10 liter of water.

**Cashewnut** Vegetative• Due to cloudy and humid weather condition, there is possibility of incidence of tea mosquito bug and thrips on vegetative flush of cashewnut to protect the flush of cashew, spray Monocrotophos 36%SL @ 15 ml or Lambda cyhalothrin 5% EC @ 6 ml per 10 liter of water.

**Vegetables** crop nursery Sowing• For raising of vegetable nursery for rabi season, cultivate the land when it is at field capacity condition and then prepare raised bed of 3m length x 1 m breadth x 15cm height. Apply 5 kg FYM, 35gm urea, 100gm single super phosphate and 25gm muriate of potash per sq. m. For protection of seedlings from wilt disease, drench nursery bed with 1% hordomixture before 3-4 days of sowing. Before sowing, treat the seed with Thiram or Captan fungicide 3 grams per kg of seed.
• Provide irrigation to vegetable nursery regularly.

---

**Note:** Spraying should be taken during dry period.

---

This Agro Advisory Bulletin (AAB) is prepared and published with the consultation and recommendation of SMS committees of “Gramin Krishi Mausam Sewa (GKMS)” Dr. Balasaheb Sawant Konkan Krishi Vidyapeeth, Dapoli.
